Betsui Collection ~ Two Teachers of Kaua'i

Abstract

This collection contains the licenses, contracts, reports, and statements of George and Janet Betsui, two teachers who taught on Kaua'i from the 1920s until their retirements in the 1960s.

George Betsui's records begin in 1925, when he obtained his teacher's license, and follow his career into the 1960s. Miscellaneous items of interest are his membership cards in a number of educational associations and a small ledger for the Kauai Japanese Baseball League (Senior) and the Hanapepe Team for the years 1930-1932.

Janet Takenaka Betsui's records follow her teaching career from 1930 through 1956. Included are her report cards while she attended Territorial Normal and Training School during 1928 through 1930.
