**Title: Memories of Kauai, Cummings Hawaiian Genealogy**

**Extent:** Unbound genealogy book 160 pages plus 38 pages of name index and addresses.

**Abstract:**

“This book shows the descendants of Thomas Booth Cummings (1830-1887) arrived from Boston Massachusetts sometime in the 1850’s and fostered eight children between two wives. With his first wife, Mary McClane, they had Caroline and with his second wife, Kahalepuaaokalole Kamano, they had seven children, William Humphrey, Thomas, Amy Hoolai, Jonah Booth, Joseph Elijah, Parker Andrew and Hannah Rachael. The information shown in this book was researched and compiled by Bruce and Inex Baker, for Cummings Ohana reunion that took place on July 18 and 19, 1999 at Lihue, Kauai. Although the geneology in this book is not complete, it shows information tat we were able to gather from many Ohana relatives on their own families and or this we thank them for sharing.”
